If you have a loved one who has suffered from cancer or other illness, this once-in-a-lifetime book will help illuminate the darkness you feel in your heart. In Gabe Berman's first book, *Live Like A Fruit Fly* (endorsed by Deepak Chopra), he gives you the guts to start living the life you had hoped for. A year after its release, he was forced to ask, night after night, "Where is God when our loved ones gets sick?" After a gut-wrenching soulful search, the answer was eventually revealed and he shares it with you in this new book. If you are sitting by the bedside of a sick loved one, or grieving the loss of a loved one, you'll want to read this beautiful book again and again until you become one with its message. The spiritual significance of it is incalculable.
