Barbara J. Behrens MS PTA, Susan L. Michlovitz PT PhD CHT

Physical Agents: Theory and Practice Barbara J. Behrens MS PTA, Susan L. Michlovitz PT PhD CHT

By studying all the modalities contained in this new, updated edition of *Physical Agents: Theory and Practice*, your students will learn how to successfully piece together thermal, mechanical, and electrical modalities with specific therapeutic goals while understanding all of the physiologic ramifications. The authors use a straightforward approach to present the material to steadily develop the clinical decision-making skills your students need to be successful practitioners. This text helps students make the connection between the modality and a comprehensive, successful treatment program.
