### ABOUT THE BOOK

As Francis so brilliantly illustrates, the life that Jesus calls us to is absolute craziness to the world. Sure, its fine and politically correct to believe in God, but to really love Him is a whole different story.

This signature quote by worship leader Chris Tomlin written in the Foreword to Crazy Love, is a perfect starting place for getting an understanding of Francis Chans powerful work and the significance of it in our culture. I like that Tomlin refers to what Chan does, first and foremost, as illustration. Thats insightful because although Crazy Love is rich with controversy, if we dare to view it from the onset through the lens of the term illustrator we are much more likely to enjoy the ride. In common usage, illustrate means to paint a picture that captures or enables us to see the words. Writers at Dictionary.com defines illustrate as, to clarify or explain by use of examples, explain or decorate with pictures; to enlighten. With that said then, Chan stands as one man with a paint brush a vision and a point of view, all of which bow to his experiences, both spiritual and natural.
