### Star Wars Art: Posters (Star Wars Art Series)

Few pieces of artwork distill the passion for *Star Wars* as do posters. From Tom Jung's iconic one-sheet for *Episode IV* to Roger Kastel's *Gone with the Wind*-inspired painting for *Episode V* and beyond, *Star Wars* has enjoyed nearly four decades of poster art from some of the most renowned artists working in movies. The fifth book in the George Lucas-curated *Star Wars* Art series, *Posters* collects the best artwork from all six *Star Wars* films, the *Star Wars: The Clone Wars* animated television series, and limited-edition prints. This collection unites all of the action, artistry, and drama of a galaxy far, far away into one lavishly produced tome.
