The Bride

Julie Garwood

The Bride Julie Garwood

By edict of the king, the mighty Scottish laird Alec Kincaid must take an English bride. His choice was Jamie, youngest daughter of Baron Jamison...a feisty, violet-eyed beauty. Alec ached to touch her, to tame her, to possess her...forever. But Jamie vowed never to surrender to this highland barbarian.

He was everything her heart warned against—an arrogant scoundrel whose rough good looks spoke of savage pleasures. And though Kincaid's scorching kisses fired her blood, she brazenly resisted him...until one rapturous moment quelled their clash of wills, and something far more dangerous than desire threatened to conquer her senses...

From reader reviews:

Timothy Rowe:

What do you think about book? It is just for students as they are still students or that for all people in the world, the particular best subject for that? Merely you can be answered for that issue above. Every person has several personality and hobby for every other. Don't to be obligated someone or something that they don't want do that. You must know how great in addition to important the book The Bride. All type of book could you see on many options. You can look for the internet methods or other social media.

Christina Moss:

The particular book The Bride will bring one to the new experience of reading some sort of book. The author style to elucidate the idea is very unique. In case you try to find new book to read, this book very suitable to you. The book The Bride is much recommended to you you just read. You can also get the e-book from the official web site, so you can quicker to read the book.

John Richey:

Do you like reading a book? Confuse to looking for your selected book? Or your book was rare? Why so many question for the book? But any kind of people feel that they enjoy regarding reading. Some people likes examining, not only science book but also novel and The Bride or even others sources were given know-how for you. After you know how the truly amazing a book, you feel would like to read more and more. Science e-book was created for teacher as well as students especially. Those publications are helping them to include their knowledge. In additional case, beside science publication, any other book likes The Bride to make your spare time far more colorful. Many types of book like this.

Kayla Merritt:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Bride can make you truly feel more interested to read.
