The Witch of Endor

Summer Lee

The Witch of Endor Summer Lee

Written from the Christian viewpoint of witches. Based on an actual witch in the Bible.

Cursed gold. A legacy of witches. A woman who dares to defy her dark birthright...

Thousands of years ago, Aaron instructed his people to create a golden calf and worship it. God punished the idol worshipers with a plague. In modern times, the cursed gold from those idols is the legacy of the original Witch of Endor, who once raised a prophet from the dead, but continued to follow a dark path.

Now, when Patricia Wolf, a librarian from Colorado, is summoned to her dying grandmother's bedside in Endor, Israel, her life takes a strange turn. Not only does she realize that her expected destiny is to become the new witch of Endor and the guardian of the cursed gold, but she also becomes entangled in solving a brutal murder in which her grandmother is a suspect—along with a young man who can't seem to get his alibi straight.

Everyone in Endor has secrets. And there's plenty of fear in the village about her grandmother, who proclaims herself to be the Witch of Endor. Can Patricia break the tradition that dooms women in her line to a lifetime of guarding the cursed gold and practicing witchcraft?

A handsome preacher with a lust for gold wants Patricia to help save his son from the murder rap. She also wants to clear her grandmother's name and set the future on a path of goodness. Will Patricia have to choose between her love for Dan and her duty to her grandmother? And, no matter what path she chooses, what will happen to the cursed gold?

Danger from terrorists and obstacles that hinder justice challenge Patricia's every move. And her grandmother is dying. Can this brave woman change the future of her family—and the infamous village of Endor?

THE WITCH OF ENDOR, a standalone YA Christian mystery novel is brought to life by acclaimed spiritual author Summer Lee, who unlocks the mysteries of the Biblical past and links them to the present through exciting quests of the heart and what-if adventures about famous—and infamous—Biblical relics.
