The struggle you're in today develops the strength you need tomorrow... All her life, Tori has been in charge. Now her career is all about solving problems, making decisions and taking control. But in the bedroom she likes to give up control. She likes to be taken to the edge. She likes the heady pleasure of pain, likes how it sets her free. In his career, Dr. Dev Fillmore has sworn to do no harm and was taught that raising a hand to the woman you love is wrong. But he's always had these dark urges that he keeps deep inside him. The attraction between Tori and Dev is more than just physical—they both feel a connection. When Tori reveals what she really wants in bed, Dev's not sure he has it in him to give that to her.
