Jerome A. Stone

Religious Naturalism Today: The Rebirth of a Forgotten Alternative Jerome A. Stone

Previously a forgotten option in religious thinking, religious naturalism is coming back. It seeks to explore and encourage religious ways of responding to the world on a completely naturalistic basis without a supreme being or ground of being. In this book, Jerome A. Stone traces its history and analyzes some of the issues dividing religious naturalists. He includes analysis of nearly fifty distinguished philosophers, theologians, scientists, and figures in art and literature, both living and dead. They range from Ursula Goodenough, Gordon Kaufman, William Dean, Thomas Berry, and Gary Snyder to Jan Christiaan Smuts, William Bernhardt, Gregory Bateson, and Sharon Welch.
