Robert Wilson Robert Wilson

Stage director Robert Wilson has devoted himself to the integration of elements from a range of creative fields into the realm of theater. Light and movement have played an especially central role in his productions, not only as compositional elements but as symbolic features. In this publication, his wildly creative, discipline-crossing oeuvre is approached through a framework of five suggestive sections: "The Deaf Man's Gaze," "The Automaton's Freedom," "What Marlene Dietrich Knew," "The Prisms of Silence" and "The Theater in Infinite Space."
