Elixir Davis Bunn

Against a backdrop of international intrigue and ruthless drug monopolies, award-winning author Davis Bunn delivers an intoxicating page-turner in this redemptive thriller.

Multi-billion dollar giant Revell Pharmaceuticals is devouring its competition. A new research breakthrough propels the company into releasing its most profitable product ever. Yet a family crisis confronts them when Kirra Revell, heiress to the empire, goes missing.

Taylor Knox, an employee of Revell's latest acquisition, is blackmailed into leading the search. An expert surfer, Taylor pursues the world's biggest waves as a cover, only to be ensnared in a deadly contest of corporate espionage.

In the race to find Kirra, everyone's motives are suspect. A Celtic monk's warning only heightens the peril. Is it money, power, passion, or something deeper that compels Taylor to risk everything?

From Scotland's holy islands to the rugged Basque coast of Spain, from boardrooms and luxury yachts to the dungeons of America's oldest surviving fortress, the hunt is on. Can Taylor Knox achieve his quest before time runs out for Kirra Revell -- and for himself?

From reader reviews:

Gloria Robey:

What do you consider book? It is just for students since they are still students or it for all people in the world, the particular best subject for that? Just you can be answered for that problem above. Every person has several personality and hobby for each other. Don't to be pushed someone or something that they don't wish do that. You must know how great in addition to important the book Elixir. All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

Mary Todd:

Exactly why? Because this Elixir is an unordinary book that the inside of the book waiting for you to snap the item but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such remarkable way makes the content inside of easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking approach. So , still want to hesitate having that book? If I were you I will go to the reserve store hurriedly.

John Silverstein:

The book untitled Elixir contain a lot of information on the item. The writer explains her idea with easy way. The language is very easy to understand all the people, so do not really worry, you can easy to read that. The book was written by famous author. The author will bring you in the new period of literary works. It is possible to read this book because you can keep reading your smart phone, or model, so you can read the book throughout anywhere and anytime. If you want to buy the e-book, you can open their official web-site as well as order it. Have a nice study.

Andrew Gillon:

As we know that book is significant thing to add our expertise for everything. By a book we can know everything we want. A book is a set of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This guide Elixir was filled regarding science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has diverse feel when they reading some sort of book. If you know how big advantage of a book, you can truly feel enjoy to read a reserve. In the modern era like at this point, many ways to get book that you simply wanted.
