## **Red Star 2: Duty and Destiny** Dennis Barton

Welcome to the year 2112. Religion and technology have been leveraged to control the minds and lives of humankind. Truth is a lie. Oppression is the rule. The Great CPU and His prophet have sought to do away with free will. Righteous hearts beware. Vice Chancellor Lifeson is dead. His son, David, is lost in the wilderness far beyond the wire. David's Uncle Robert, the last living hacker, is trapped within a hostile city where an artificial intelligence awakens to believe that it is the holy scion of God. Inspired by the works of Rush, RED STAR 2: DUTY and DESTINY continues the saga begun in RED STAR: SACRED CITIES and is sure to thrill hard-core Rush fans and sci-fi addicts alike.
