There is no better way to get a child to learn about working vehicles than to give them a visual picture of it and better than that, get them to color it and bring it to life. That is exactly what the “Working Vehicles Colouring Book” allows you to do. Some of the vehicles and trucks the coloring book includes are a tractor, cement mixer truck, digger, fire engine, crane, ambulance, bulldozer etc.. Once you get a copy for your child you will realize that you have opened up their minds to even greater opportunities to learn than they had beforehand. This book is part of a series of books that children find extremely appealing. The author has set things up in such a way that the child learns exactly what working vehicles are and also learn about the colors that they are typically in. This translates well to real life as they will be able to identify the real things when they see them.
